Term 3 — Week 9

Library News

Well Done to all the students who have completed the Premier's Reading Challenge. I have entered all the forms that were handed in and you should receive your certificates/awards and medals next term. Please keep on reading and explore new adventures.

Thank you to everyone who has ordered books through scholastic book club. There are two more next term before the Christmas holiday break. Great way to start your Christmas shopping as there are some really good gift ideas.

Both of our Anzac Bears are going on a great adventure around the school. Until the end of the year they will be spending time in each of the class rooms. They are also going on camp with the older students and other activities during this time. There is a lot happening during term 4 and it is going to be a busy for all of us.

There will be a couple more competitions running in the Library next term to finish off the year, so keep an eye out for these. This is a great way for the students to put their thinking caps on and be creative, stay tuned to find out more.

Over the holidays please have a look at home for any books that belong to the school as there are a lot still overdue. Unfortunately, we are having issues with books not been scanned correctly when returning and borrowing them through our system. As a result, we have lost a few of our new books that should be available for everyone to enjoy. Please return them to the library as soon as possible if you find them at home. Thanks.

Happy Reading

Suzanne Library Manager

Parent Parking / Drop off / Pick up

Please be reminded that for student safety, the staff car park **is not** to be used for parking, dropping off or picking up of students. We have requested that Mount Barker Council Traffic Management and SAPOL make regular patrols. In addition we also require parents picking up students from OSHC park at the front of the school and not the staff car park.

Acting Principal: Jo Simpson
