School	Mount Barker Primary School	Year of improvement focus. <i>ie 2021</i>
Principal	Jo Simpson	
Key Element		
1: Data Informed Planning		2021
2: Tracking and Monitoring Growth and Achievement		2021
3 Assuring Consistent, High Quality Classroom Practice		2021
4: Applying Evidence-Based, Learning Interventions		2021
5: Engaging Aboriginal Families as Partners in Literacy and Numeracy Learning		2022

### School Improvement

The ALALR supports a cyclic approach to:

- **Continual improvement of school systems and processes** for each of the 6 Key Elements
- **Raising the prominence of Aboriginal learners.**

NB: It is recommended that schools should review Element 1 'Data Informed Learning' in the first instance, as this element underpins the effectiveness of the other Key Elements.

### Actions for Leaders

- Complete the **Quality Matrix** to audit and drive evidence based discussion.
- **Identify one element** for improving whole school processes **each school year.**
- Work with your team to plan and document **improvement actions** on the **Action Template.**
- **Implement** improvement actions **and review** implementation **progress** throughout the year
- **End of Year-** Review the impact of the improvement actions to determine new actions / focus.  
*Has there been improvement in each Aboriginal student's learning outcomes this year?*
- Use information from the **Action Template** to inform the **Annual Report 'Improvement –Aboriginal Learners'**

### Aboriginal Learner Achievement

Change Management for Sustainable Improvement

#### Effective Processes and Systems

Actions (cogs) working in sync build effective systems. Efficient systems support teachers to be more effective in supporting students to improve literacy/numeracy outcomes.

#### A 'lens' on Aboriginal learners

Supporting all students to reach potential is important. Given the complexity of issues, it is our responsibility to focus on supporting each Aboriginal learner to reach high and achieve potential.

### Effective whole school processes and systems support:

- SIP cycle planning
- Teachers to be more targeted in their teaching.
