

Mount Barker  
Primary School

Updated: March 2022

## SCHOOL CONTEXT STATEMENT

School name: Mount Barker Primary School and Disability Unit

School numbers: 0285 and 7967

### School Profile

We are a Community of Successful Learners.

Mount Barker Primary School is an inclusive, dynamic environment where students are self-motivated, enthusiastic learners. The school is a place where students are able to realise their potential in a safe, secure and caring environment which caters for their interests, abilities and learning styles. This year students in years 2-6 have moved into a \$10.5m new learning facility with collaborative learning spaces as well as new audio visual equipment, sound field systems (Phonac-Roger) and low sensory load classrooms. All classrooms have new furnishings which include a variety of seating options which are ergonomically designed.

Our school uses Positive Psychology as a means of supporting students to become positive, self-reliant and resilient learners. The majority of teachers are trained in the strategies of Positive Psychology based on the work of Professor Martin Seligman and all teachers are incorporating Positive Education into their classroom learning programs.

A strong teaching focus exists in relation to Literacy, Numeracy, AUSLAN and Performing Arts. Student learning is supported through the use of interactive panels, digital technologies - iPads, a library, gymnasium and refurbished Early Years teaching facilities. AUSLAN, Physical Education and Performing Arts are taught from Reception to Year 6. The school host an annual whole school performance which incorporates music, dance, drama, visual and media arts.

Student voice is valued and students have a role in the school decision-making process. The Student Representative Council (SRC) facilitate the involvement of the wider school community seeking feedback on many different areas of school life.

## Mount Barker Primary School

Support for students with learning difficulties is based on early assistance and intervention and the development of short-term learning plans (One Plans). Students requiring extension are identified and supported through extension opportunities.

We are also the regional primary school for students with complex needs who are enrolled at our site through the Special Options Process, managed by the Regional Office. Inclusion is a priority and diversity and difference is celebrated. We have a purpose built learning spaces which are part of the building project that offer flexibility and inclusion.

### 1 General information

- School Principal: Jo Simpson
- Deputy Principal: Amberley Horder
- Year of Opening: Original school opened in 1877  
with the present site opening in 1967
- Postal Address: 2A Dumas Street, Mt Barker SA
- Location Address: As above
- DECD Region: Adelaide Hills
- Geographical Location  
road distance from GPO: 34 kms
- Telephone Number: (08) 8391 1241
- Fax Number: (08) 8391 4208
- School website address: [www.MtBarkerPS.sa.edu.au](http://www.MtBarkerPS.sa.edu.au)

Local partnership with Mount Barker Kindergarten with specialist teachers attending the kindy to share skills. A buddy class system is in place with Mount Barker Kindergarten involving regular visits and collaboration on cross site projects. We have established a positive relationship with Paisley Park Early Learning Centre to support effective transition for their children in the kindergarten room.

National Partnership Project with Mount Barker High School,  
Littlehampton Primary School and Mount Barker South Primary School  
– Positive Psychology Focus.

## Mount Barker Primary School

Mount Barker Primary School is part of the Heysen Partnership and engages with local schools on joint priorities.

During 2022 we are able to accept enrolments for all year levels, with priority being given to families living in the local area.

## 2 Students (and their welfare)

### General characteristics

- Refer to table above

### Student well-being programs

- Positive Education was implemented across the school in 2014
- Successful Learner Dispositions support students to be active participants in their own learning.
- Our Pastoral Care Worker offers support to students and families, including Seasons for Growth sessions.

### Student support offered

- One Plans are developed for students requiring additional support, setting short term goals and identifying adjustments to learning.
- Quick Smart Numeracy program to support acquisition of automaticity in Maths in years 5 – 6.
- InitialLit evidence based literacy program implemented in the early years. This focuses on multiple high impact strategies to support phonic instruction.
- An Intervention Teacher to provide 1:1 and small group support for students requiring intervention in literacy and numeracy years 2-6 using the MultiLit suite of resources. This is an evidence based suite of resources that can be used with individual students and small groups.

## Mount Barker Primary School

### Student Behaviour Support

- The school's Student Behaviour Development Policy was reviewed recently to incorporate Restorative Practice strategies and to reiterate adherence to the school's values and behavioural expectations.
- A Student Grievance Procedure allows for classroom issues to be resolved in an appreciative and respectful manner.
- Social Skills are taught, reinforced and encouraged at all times in all classrooms.
- A No-Tolerance approach to bullying is consistently applied across the school.

### Student Voice

- An active SRC operates fortnightly with Student Executive meetings as required.

## 3 Key School Policies

### Site Improvement Plan and other key statements or policies

- 2022 - Key Priorities include:
  - Literacy
  - Numeracy
  - High Impact Teaching Strategies

Key priorities for 2022 are detailed on the Site Improvement Plan on the school's website [www.MtBarkerPS.sa.edu.au](http://www.MtBarkerPS.sa.edu.au)

## 4 Curriculum

### Subject offerings

- The school provides a curriculum in line with the Australian Curriculum
- Specialist teachers provide expertise in AUSLAN, Performing Arts, PE and early years Science

Mount Barker  
Primary School

## 9 School Facilities

### Buildings and grounds

- The grounds are spacious and pleasant with a large oval, extensive new playground equipment and a large, open wooded space has been planted where environmental studies is undertaken.
- A Multipurpose Hall was constructed in 2009.
- BER funds provided a new library/computer suite, new staff car park and refurbished Early Years teaching area.
- An upgrade to the administration area and staffroom was completed in 2014.
- New signage across the school has been erected in 2013.
- 2021 saw the building of state of the art facilities for years 2-6, including an inclusive, flexible learning space for students with complex needs.

### Heating and cooling

- All classrooms are air conditioned.

### Specialist facilities and equipment

- Internet connection is via Wi-Fi in all areas and all teaching areas have interactive audio visual panels. All teachers have an iPad and Lap Top computer.
- The school has provided several pods of 30 iPads in each learning area to support student engagement and the teaching of ICT skills.
- An Early Years Outdoor Teaching Area was constructed in 2014.

### Student facilities

- A Dental Clinic operates on the school site.

## Mount Barker Primary School

### Staff facilities

- All staff have iPads and Laptop computers.

### Access for students and staff with disabilities

- Extensive ramps have been developed to allow wheel chair access.
- Taxi transport to and from can be arranged through the Department of Education for students enrolled in the Complex Needs Unit. This is subject to criteria and is funded through NDIS.

### Access to bus transport

- A Department bus operates to transport students to and from school and is used for excursions where appropriate.

## 10 School Operations

### Decision making structures

- An active Governing Council provides governance for the school.
- Governing Council committees comprise; Financial Advisory Committee and OSHC subcommittee.

### Regular publications

- School Newsletters are published in weeks 4 and 8 termly and are posted on the school web site, via SeeSaw and sent by email.
- Class information is shared using SeeSaw app.
- School Facebook page is used to share positive school news and post reminders for key events.

## Mount Barker Primary School

- Staff Daily Notices are via Learn Link and email.
- The school web site contains information for families on a range of issues i.e. school policies, enrolment information. A new website went live in 2019.
- An electronic sign was erected at the front of the school in 2014.

### Other communication

- The school makes use of SMS messaging to alert families of important events, notifications etc.

### School financial position

- The school is in a sound financial position.

### Special funding

- The school operates with two Resource Entitlement Statements – one being for the school and one for the Disability Unit.

## Mount Barker Primary School

### 11 Local Community

#### General characteristics

- Mount Barker is evolving from a substantially rural area established in the 1840's to a rapidly flourishing residential area. People commute to the City via the South Eastern Freeway.
- Housing is available for rental or purchase with extensive new housing developments occurring.
- Mount Barker has a hospital and several medical and dental practices.
- A Park and Ride facility is across the road from the school. This provides 400 spaces for car parks and regular daily bus services to and from Adelaide.
- An extensive Retirement Village is also proposed adjacent to the school.

#### Parent and community involvement

- Parents actively support the library, daily reading and with camps and excursions.
- A 'Parents and Friends Group' was formed to further support and initiate school base activities.

#### Feeder or destination schools

- The majority of students enrolled at Mt Barker Primary School come from the two local kindergartens – Mount Barker and The Willows Early Learning Centre. We work with Paisley Park Early Learning Centre to provide transition for students in their kindergarten room.
- Most Year 6 students transition to the local high school, i.e., Mount Barker High School. A small percentage enrolls at other public high schools or into the private sector.

## Mount Barker Primary School

### Other local care and educational facilities

- A Community Library is situated adjacent to the school on the TAFE Campus.

### Commercial/industrial and shopping facilities

- Mount Barker has extensive modern shopping facilities.

### Other local facilities

- Extensive sporting facilities cater for children's sporting interests.
- A Recreation Centre and Swimming Centres operate.
- Several large parks and bush land areas provide for further recreational activities.

### Accessibility

- Access to Adelaide is predominantly via the South Eastern Freeway.
- A bus service operates regularly to and from Adelaide.

### Local Government body

- The Mount Barker Council is the local governing body
