Starting School at Mount Barker Primary

A Community of Successful Learners

Mount Barker Primary is my new school.
I will be in Reception when I start school.

I wear my uniform to school. I have a school bag with my healthy snack, lunch, and drink bottle inside. I also have a special blue folder for my take home reading books. I wear my hat outside to protect me from the sun. My name is on everything.

When I go to my classroom, I hang up my bag on a special hook with my name on it. I unpack my things ready to start the school day.

These are the teachers in the Early Years. My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help. My teacher cares about me and likes to know about me.

I start my day by joining our class Community Circle. My teacher says "Good Morning" to me and we talk about ways we can be successful learners.

I can have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

I know how to do a lot of things at school because I have done them before. I will draw, paint, paste, count, play, listen to stories and sing songs at school.

I eat a fruit or vegetable snack, recess and lunch at school. I eat healthy food to help me feel good and to grow strong.

This is the playground. It is fun to talk, laugh and play with my friends in the playground at recess and lunch time. When I hear the music over the loudspeaker, I know it is time to get a drink and go to the toilet, before lining up outside my classroom.

I will get to know some of the big kids at school when they are our class buddies. My buddy will sometimes help me play and learn.

Meegan and Gracie work in the office. Sometimes children take messages to the office. I would like to do that one day.

At the end of the school day, we pack up our classroom and talk about the good things that have happened during the day. Then we say goodbye to our teacher and classmates.

I can't wait to start school!
